PRAYER FOCUS

THIS CHANGING WORLD

SUN	Canada the latest country to show through the courts the vulnerability of state and church institutions holding children in homes ostensibly for their protection
MON	Russia & China are competing to help roll out a vaccine to the Third world, whilst looking for opportunities to spread their influence. We know that we are disguising our contributions with no strings attached
TUE	We Pray for Congo , after the devastating volcanic eruption two weeks ago.
WED	The Middle East. We give thanks for the ceasefire, between Hamas in Gaza and Israel
THU	India. The rapid advance of Covid. The lack of resources to deal with it. We pray for the government to be open and frank in their acknowledgement of the difficulties of controlling it.
FRI	General. There has been a call for financial contributions to pay for vaccines through the charity COVAX for the many countries in need. Thank you for the G7 countries that have upped their contributions of surplus vaccines. Until everyone is safe, none of us are.
SAT	Belarus. We pray for advice on UN and EU in how to respond to the hi-jacking of an aircraft in order to detain an opposition journalist, putting the lives of the passengers at risk.
